Dear Dan and Pat:

This is the letter I mentioned to Pat yesterday that I sent off today for the purpose of moving forward. I have left Dan out really because (a) I think he has been doing such a good job in the public and (b) he needs a vacation and he can look over our work product. I do not minimize the importance of his seeing present and former government officials but I think that can wait a bit.

Best,

Leonard B. Boudin
